**2D
Padded**

The **2D Padded** headrest is the standard headrest as seen on The Avenger. It includes a headrest mounting bracket, a vertical extension with a horizontal sliding bar that allows for easy height and depth adjustment. The headrest portion is made of a solid wood base and a foam contour surface covered in a nylon material.

Padded Headrest

11.5" width

8" height

3" of foam outside
contoured to 2" at the center

**4D
Axis**

The **4D Axis** headrest is the most versatile headrest. The unique design allows for an infinite amount of positioning to maximize user comfort. It comes with an easy-to-use, tool-less adjustability clamp, a 90° goose neck vertical extension and a horizontal sliding bar rotating on a ball clamp.

Fabricated Headrest

A curved ABS base with a 1" thick foam surface covered in a nylon material.

Molded Headrest

A 1.5" thick curved moulded urethane headrest.

Both types of headrests are 11" Wide, 4" High and 4" Deep.

Fabricated

**3D
Swivel**

Molded

The **3D Swivel** headrest allows for easy height and depth adjustment, but also allows for more finite positioning with a swivel mount feature on the back of the curved headrest.

Fabricated Headrest

A curved ABS base with a 1" thick foam surface covered in a nylon material.

Molded Headrest

A 1.5" thick curved molded urethane headrest.

Both types of headrests are 11" Wide, 4" High, and 4" Deep.

Warranty

2 year warranty
